Adam Steffensmeier joins LWBJ as Audit Manager – Risk Services

WEST DES MOINES, August 8, 2017 – LWBJ Senior Partner Maureen Dockstader has announced the appointment of Adam Steffensmeier to the position of Audit Manager – Risk Services, focusing on information technology and cybersecurity.

Mr. Steffensmeier was previously with Meredith Corporation, where he served as IT Audit Manager and led the company’s IT risk-based audit and SOX compliance processes. Prior to joining Meredith, he was an IT Auditor with Wellmark, where he devised and executed IT and operational audits in addition to facilitating annual service organization control (SOC) exams. He has also served as a Staff Auditor with the State of Iowa.

In making the announcement, Ms. Dockstader noted, “Adam’s deep experience in IT auditing and SOC compliance strengthens the firm’s ability to serve our clients’ growing needs for information technology security and consulting. We are pleased to welcome him to our team.”

Mr. Steffensmeier received his BA in Accounting from Iowa State University in 2006. He earned his Certified Information Systems Auditor (CISA) designation from the Information Systems Audit and Control Association in 2014.

At LWBJ, our growing SOC and risk services practice creates unique advantages for clients. We can provide independent assurance that controls are in place and functioning to help meet the audit, due diligence and information security needs of their customers. Beyond attestation, we can leverage our expertise to identify and recommend opportunities for improvement in their business operations.
